

FLEX-FLO XD

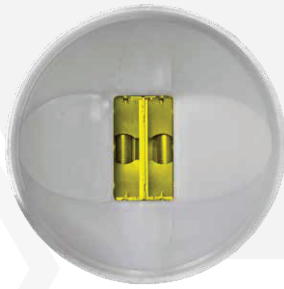

ULTRA UNLOADER

A new twist on a **PROVEN CONCEPT**

XD ULTRA

ORIGINAL

Bigger and Better

For producers who can't afford downtime, the new Flex-Flow XD Ultra unloader offers an opening that is more than 50% wider, to minimize feed bridging and ensure your operation stays up and running.

More Ground Clearance

Low profile design allows for easier cleaning and service.

Water Tight Seal

Custom-cut gaskets prevent moisture intrusion.

4x Wear Resistance

Easy change nylon plates with thicker walls increase product life.

Seeing is Believing

Clear boot and access window allow for easy flow monitoring.

Easy to Maintain

Change wear plates fast without pulling out the auger.

Retrofit kits are available.
